MEMORANDUM FOR: DDP/PG

SUBJECT : Project AERODYNAMIC

REFERENCE : Memorandum 29 January 1963 from Staff Deputy,
Covert Action Staff

1. In reviewing his comments with Mr. Rositzke, Staff Deputy, Covert Action Staff, it was ascertained that he does not object to the size of Project AERODYNAMIC nor its current activities, with the possible exception of certain publications directed exclusively at non-Soviet audiences.

2. Mr. Rositzke's recommendations concern primarily the way in which the Project should be conducted rather than the nature of its activities. In the light of this interpretation, his recommendations on the Project can be accepted.

3. It should also be understood that almost all of the publications of Project AERODYNAMIC are aimed at Soviet audiences, even though they are ostensibly printed for emigres and to some degree distributed among them for cover purposes.
